Dear Fellow Martial Artists and Arnold Battle of Columbus Supporters,

It is hard to believe that it has been 43 years since the first Battle Columbus in 1976. It has been my privilege and honor to be your host, and I sincerely appreciate your support and encouragement. Founding a multidisciplinary championship to embrace the diversity of all martial arts in the most positive way has been one of my most treasured achievements. I could not have done it without you.

The Battle of Columbus was created to offer an opportunity for all martial arts practitioners around the world to compete in a variety of martial arts events and to explore, test, and share the skills that they diligently and patiently developed. The Arnold Battle of Columbus also offers a chance to meet martial arts leaders from many styles and disciplines who share common goals in martial arts philosophy, principles, and traditions.

As is our custom, we will be recognizing the great martial arts pioneers and their successors for their contributions to the development of the world of Martial Arts for Truth, Goodness, and Beauty with the ***Bruce Lee & Legends of Martial Arts Hall of Honor Induction Ceremony***. The induction ceremony will take place on Friday, March 2, 2018, at Oriental Martial Arts College.

On Friday, March 2, 2018, 12pm-5pm, we are offering special training seminars and workshops led by masters and experts in various martial arts disciplines including Kyokushin Karate, Street Combat Self-defense, Weaponry, Judo, Wushu, Wing Chun, Taichi Push Hands, Taekwondo Sport Poomsae, Movie Stunts, Para and Adaptive Martial Arts, Movie Action Stunt and more.

He was born on November 27, 1940, in Hong Kong, was a graduate of Washington State University, and starred in many television and film productions including *The Green Hornet* and *Enter the Dragon*. He was an ardent student of Wing Chun Kung Fu and developed and successfully spread his own style, Jeet Kune Do. Bruce Lee passed away in 1973 at the age of 33. He left behind a legacy to be admired and honored.

With his superb talent in martial arts and in action movies, he was able to revolutionize Asian culture, perceptions of the martial arts, and perceptions of Asian people in the western hemisphere forever. He is one of the only movie stars who became more famous after his death. His legacy will never die.
