Stephen Watson:

Stephen Watson has immersed himself in Eastern philosophy for over 30 years. Taoism, the philosophical root of Taiji, is made clearer in a moment with Stephen than in poring over dozens of translations from the Classics. Stephen's martial training (the how) began in concert with his interest in philosophy (the why).

His motto is: When you have enough Why's you have Wise. He specializes in transmitting a profound understanding of why. Ask a question and he will show you that you already know why. There are no hidden treasures only closed eyes. Stephen has been featured in Inside Kung-Fu magazine and is known the world over for his engaging personality, kind-hearted approach to teaching and, of course, his world-class skill.

Stephen travels the world offering workshops on various Chinese martial arts. Stephen Watson is the only person to compete in, referee at, and teach at martial arts tournaments for every umbrella organization at their national level. He is an International, 18-time US, and now World Champion in Taiji Push Hands. He operates a small martial arts school in Connecticut where he hosts masters from far and wide. His teachers include every person he has ever met. Come be his next teacher.
